

**Bicycle Committee
NY-NoJ Chapter
Annual Report 2007
Submitted by: Skip Doyle**

The Bicycle Committee is the little Activities committee that does a lot. In 2007, a mere 8 leaders offered 22 rides to more than 200 participants. Impressive, too, is the variety of offerings: road rides, rail trails, mountain biking, skating, and even weekend tours. Also, we have published multiple articles in Trails & Waves. Our momentum continues with 5 rides already on the Spring Schedule for March/April. Our goal for 2008 is to increase the number of leaders, thereby increasing the number of offerings so that more bike riders can participate with the AMC.
